Welcome to the 11th season of our STAR (Summer Theater Arts Review) program! We are thrilled to have you with us for this year's production of Frozen KIDS. The performers you see on stage tonight have just completed grades 2 through 5. You will see both returning veterans who have grown alongside us for years and new faces stepping into the spotlight for the very first time. Watching this group build their characters, master their songs, and support one another through the creative process has been the highlight of our summer. Their energy, humor, and heart have truly brought the magic of Arendelle to life. Thank you for supporting community theater and cheering on our incredible young cast. Your presence is the final piece of the puzzle that makes our work complete. Now, sit back, let it go, and enjoy the show!

Special Thanks
